

Patrick Christ
Swiss (born 1970)
Management Support

Apart from his university diploma as a teacher of physical education, Patrick Christ holds a degree in Educational Psychology and Business Administration from the University of Bern. Furthermore he extended his qualifications at the Business School in St. Gallen by becoming a Qualified Controller.

After several years of teaching at the Economic- and Management School in Bern, Patrick Christ changed in 2000 to Swiss Rail Cargo Company (SBB Cargo). After completing a Management Trainee, he held various staff- and leading positions in product management and in the maintenance department. In 2007 Patrick Christ joined Medartis as Management Support of the CEO and the Executive Management Board.
