

Anthony Durieux-Menage

French Citizen (born 1974)

CHRO (Chief Human Resources Officer)

Member of the Executive Management Board since 2019

Anthony Durieux-Menage holds a Master's degree in Biochemistry from the National Institute of Applied Sciences in Toulouse (France).

Anthony Durieux-Menage has long-lasting experience in human resources management as well as in production and development engineering in the pharmaceutical and life science sector. Most recently, he worked for the Swiss pharmaceutical company Acino, where he was Group HR Director and Member of the Executive Committee. Previously, he held senior executive positions in HR and Operational Excellence at Novartis and was a Production Engineer at Ajinomoto in France. In these two companies, he held various leadership positions in the manufacturing environment from R&D, manufacturing, engineering to operational excellence, quality assurance and quality control.

Anthony Durieux-Menage enriches the Executive Management Board with his comprehensive understanding of personnel requirements in the various areas of the process flow, including strategic and global alignment. With his expertise and personality, he supports the management throughout the company in all HR related topics.
