

Axel Maltzen

German (born 1969)

CPO (Chief Production Officer)

Member of the Executive Management Board since 2014

After his academic training as a mechanical engineer specializing in process engineering, Axel Maltzen started his career as project manager for international environment projects. Later on he was responsible for environmental machines at an adhesive tapes manufacturer.

Since 2005, he has contributed, with his strong orientation in process and project management, to quality control in the medical device industry.

In 2008, Axel Maltzen joined the Company as Head Quality Management. Since June 2014, Axel Maltzen holds the position of CPO (Chief Production Officer) and is a member of the Executive Management Board.
