

Executive Management Board

David Thoni

US citizen, born 1965

US President

Member of the Executive Management Board since 2025

Key attributes:

David Thoni is a seasoned executive with over 25 years of experience driving revenue growth and performance turnarounds in the dental and medical device industries across the US, Europe, South America, and South Africa. Known for authentic, humble leadership style with a focus on integrity, business impact, and teamwork.

Career highlights:

As founder and Chief Growth Officer of the joint venture platform 'Independence Dental Services', he successfully expanded the company's network of practices across 15 US states between 2000 and 2004. Independence supports the autonomy of its business partners and works with them to introduce modern technologies to increase the efficiency of their practices and improve clinical outcomes for the benefit of patients. Previously, as President of 'ClearChoice Management Services', the largest implant practice network in the US, he achieved substantial growth and enhanced operational efficiency. During his tenure at the Straumann Group, he contributed to the rapid growth of the value-brand Neodent. He also held leadership roles at Ondal Medical Systems and Nobel Biocare, where he reversed declining sales and significantly improved profitability.

Qualifications:

David attended the University of Tennessee, where he studied from 1983 to 1987. In addition to his formal education, David has pursued professional development through prestigious programs, including an Executive Training Program at the Center for Creative Leadership and a General Management Program at Harvard Business School. These experiences have equipped him with advanced leadership skills and strategic thinking that have contributed significantly to his success in various executive roles throughout his career.
