

Board of Directors

Martha Shadan

U.S.A. (born 1955)

Member of the Board of Directors since 2024

Member US Expansion Committee

Key attributes for the Board

Martha Shadan has more than three decades of experience in the life science industry as a business leader in a variety of both large and start-up organizations. She is an expert in commercialization and go-to-market strategies especially in the US, which has been defined by Medartis as one of its main growth markets.

Career highlights

Martha retired from Miach Orthopaedics as the CEO and President in 2022. Prior to this, she was the CEO and President of Rotation Medical which was acquired by Smith & Nephew plc. Prior to joining Rotation Medical, she was the president of the Trauma Division at Zimmer Biomet. In addition, Martha served at Covidien as Vice President / General Manager of Vascular Therapies and Vice President / General Manager BioSurgery and Sports Surgery. Other companies that have benefited from her experience and leadership include Bristol Myers Squibb Co. and Merck Millipore.

Qualifications

Martha holds a Master of Business Administration from Northeastern University, a Master of Science in Biology from Michigan State University, and a Bachelor of Science in Biology from the University of New Hampshire.

Other current activities

Martha is actively involved with the Advanced Medical Technology Association (AdvaMed). She has been on the Board of Directors since 2017 and is a current member and past chair of the Accel Board of Directors. She serves on the board of CVRx, LeMaitre, S2N and is the chair of the board of Brilliant Strings Therapeutics.
