

# Board of Directors

## Martha Shadan

**US American (born 1955)**

**Member of the US Expansion Committee (UEC)**

**Non-executive member of the Board of Directors since 2024, independent**

### **Experience**

Ms Shadan was previously CEO of the US medical technology companies Miach Orthopaedics and Rotation Medical (now Smith & Nephew), and she has worked for Zimmer Biomet and Covidien in senior positions.

A biologist by training, she holds an MBA from Northeastern University in Boston, Massachusetts, USA. Her contributions extend beyond her professional career, as she also serves on various boards and foundations.

### **Key attributes for the Board**

With her extensive experience in the US orthopaedic market, she will be very valuable in supporting the management and the Board of Directors in the further expansion in the US.
